MORE THAN A MUSEUM

Your event at Autoworld

Autoworld is the ideal and particularly original location to organise an event, be it big or small, intimate or prestigious, during the day or of an evening, for a seated dinner, a walking buffet or a simple cocktail party... a private or corporate event, the launching of a product or a concept, business presentations, seminar ...

Autoworld can accommodate up to 1,500 guests, on the Herman De Croo Plaza, along the Blue Boulevard amongst the beautifully preserved cars, or in one of the recently refurbished meeting rooms.

It goes without saying that thanks to its architecture and splendid collection of motorcars (one of the most impressive in Europe) this exceptional site will bring an added value to your events!
